Design Supply, Install & Operate
Distributed Solar PV on and around Public
Sector Buildings related to COVID19 Relief
Measures

PAKISTAN SINDH SOLAR ENERGY PROJECT (SSEP)

Loan Credit No.: 62580-PK

World Bank Project ID: P159712

Sindh Energy Department, Government of Sindh (hereinafter called "the Purchaser", "SED", or the "Client") has received financing from the International Development Association (otherwise known as the World Bank, hereinafter the "Bank" or "IDA") in the form of a loan (hereinafter called "loan") to finance the Sindh Solar Energy Project. SED intends to apply part of the proceeds toward payments under contracts for Design, Supply, Install & Operate Distributed Solar PV (DPV) on and around Public Sector Buildings related to COVID-19 (coronavirus) Relief Measures. Specifically, the Health Department, Government of Sindh has identified 35 sites, some of which have more than one healthcare facility that are directly involved in the COVID-19 response.

The "Request For Quotation" was send to all AEDB registered firms under Category ARE-V1 through Electronic mail dated: July 03, 2020 and 18 applications were received and evaluated on the basis of project requirements and eligibility criteria given in RFQ. The evaluation results are as under:
