REQUEST FOR EXPRESSION OF INTEREST CONSULTING SERVICES – INDIVIDUAL CONSULTANT

SINDH SOLAR ENERGY PROJECT (SSEP)

Loan Credit No.: 62580-PK

Assignment Title: Strategic Advisor - Technical (Component 4)

World Bank Project ID: P159712

Reference No.: PK-SED-257104-CS-INDV

The Sindh Energy Department has obtained financing from the World Bank towards the cost of the Sindh Solar Energy Project (SSEP) and intends to apply part of the proceeds for procurement of consulting services to hire a Strategic Advisor - Technical.

The Sindh Solar Energy Project aims to support the deployment of solar power in Sindh Province through development of utility-scale solar power at highly competitive prices within identified solar parks, installation of distributed solar power systems on and around public buildings, and provision of SHS for households with no or low access to electricity.¹ This Request for Expressions of Interest refers to the procurement for a Strategic Advisor will provide advice on the scientific and technical knowledge, in particular to guide the Component Manager in project planning that will involve the implementation of monitoring and evaluation plan with indicator, baseline and target for each output, and the detailed annual work plan and budget on the basis of the logical framework

To support the implementation of this initiative, SED will select an Individual consultant. The objective of this assignment is to will provide technical expertise primarily relating to solar power, rural energy services, technical training and capacity building and will report to the Project Director and Project Steering Committee (PSC) – Secretary of the Ministry of Energy. The Strategic Advisor will work closely with the Component Manager who is internally appointed by SSEP and responsible for day-to-day management and successfully running the project.

The Terms of Reference (TOR) for the assignment can be download from www.ssep.gos.pk.

Sindh Energy Department under "Sindh Solar Energy Project" now invites individual having 15 years of experience in Renewable Energy especially Solar Power Projects, after acquiring stipulated qualification, 10 years work experience in the design, specification and installation of solar photovoltaic systems for stand-alone domestic applications in developing countries, 5 years work experience in international development, particularly in rural energy, micro enterprise development, technical training and capacity building and demonstrated high level technical writing and communications skills in particular in the preparation of technical reports, technical specifications, technical training materials and presentations

¹ Further details available here: <https://projects.worldbank.org/P159712?lang=en>

The attention of interested Consultants is drawn to section III, paragraphs, 3.14, 3.16 and 3.17 of the World Bank's "Procurement Regulations for IPF Borrowers" July 2016 (revised 2017 and August 2018), setting forth the World Bank's policy on conflict of Interest. In addition, please refer to the following specific information on conflict of interest related to this assignment.

Shortlisted consultant shall be selected in accordance with the experience and qualification based set out in the paragraph 7.36 & 7.37 of World Bank Procurement Regulations (July 2016) Revised November 2017 & August 2018.

Further information can be obtained at the address below during office hours, as follows: 0900-1700 hours PST.

Expressions of Interest must be delivered to the below mentioned address by **06 December 2021, 5:00 PM office time.**
